### Family visit

This is my \_\_\_\_\_'s family. His name is Gerald. He is from Sidney, Australia. His \_\_\_\_\_'s name is Linda. She is one of my favorite \_\_\_\_\_.! Aunt Linda is so funny. She is always telling us jokes and making us laugh. She is a fashion designer and is always giving us nice hints on how to dress well for each occasion. Uncle Gerald and Aunt Linda have two \_\_\_\_\_. Alfred is 10 years old and Ben is 5 years old. This picture was taken during their trip to Shenandoah Park, in Virginia, US. They spent a month here in the US visiting my family. My \_\_\_\_\_ Niles became Alfred's best friend. They are the same age. Sophie, my younger \_\_\_\_\_, didn't want to hang out with Ben until he started to tell her stories about kangaroos and koalas. Sophie loves animals and didn't stop asking Ben questions. My \_\_\_\_\_ has something in common with Uncle Gerald. They are both engineers. They love talking about constructions. I've already told my \_\_\_\_\_ that next year I want to visit them in Australia. I bet it's going to be fun; don't you agree 'mate'?

### Background

The strip, running since 2000, revolves around the daily lives of the Bermudez family. The characters include:

**Baldo**, the lead character. Baldo's a teenager who works at an auto supplies store ("Auto Y Rod"), and dreams of buying/building his very own low-rider car (a 1964 Chevy Impala, specifically).

**Gracie**, Baldo's grade-school aged sister. Gracie's extremely intelligent (but less political), often pursuing much more cerebral hobbies than her older brother.

**Sergio**, Baldo and Gracie's father. A widower (the children's mother died in an auto accident some years ago), Sergio often tries to give advice to his children, for better or for worse [...]

**Tia Carmen** ("Aunt Carmen"), Sergio's aunt (and the kids' great-aunt). An elderly woman who came to live with the family after the death of the kids' mother, Tia Carmen often also gives the kids advice, tells them facts about their (often goofy) relatives, offers her "unique" cooking, and pursues various old-fashioned interests. However, Tia Carmen's also been shown recently with her own podcast (more successful than Baldo's car-themed one), so she's not a complete luddite.
